

HLSC Portsmouth Yardstick List 2022

To ensure handicap racing at Hollingworth Lake is as competitive as possible, we use the RYA's www.pyonline.org.uk website to calculate local PY amendments based on our racing results. This is done on a regular basis and the amendments are listed below. This is an analytical process and not opinion based. As a club we have taken the decision to adopt the PY numbers with a confidence rating of 0.4 or above as recommended by the RYA.

GP14: 1135
